

## Gog and Magog

On Yom Kippur of the Jewish Year 5784 which was September 25, 2023 God put an end to the curse of Leviticus that was on the ten northern tribes of Israel so that he could resurrect them and return them to the land of Israel.

Ezekiel prophecies about this return in Ezekiel 36 and 37 where God prepares the land for their return and prepares the house of Israel for their return by giving them a new heart and a new spirit and putting God's spirit in them.

Ezekiel 36:26,27

*I will give you a new heart and I will put a new spirit within you. I will take away the stony heart out of your flesh, and I will give you a heart of flesh. I will put my Ruach (Holy Spirit) within you, and cause you to walk in my statutes; and you will keep my ordinances and do them.*

God then shows Ezekiel, in chapter 37, the valley of the dry bones and tells him he will resurrect the house of Israel (the northern tribes) like he resurrected the bones. But then in chapter 38 Ezekiel starts to prophecy about Gog and Magog and we have the Gog and Magog war. In this war Ezekiel uses the names of ancient tribes from areas that have been identified as modern-day Russia combining with Turkey and Iran, Ethiopia, and Libya along with some other Islamic nations of the Middle East to attack Israel with the full force of their combined military might.

But God will move against this vast army and destroy it completely in a miraculous way. Every one of them will die and it will take Israel seven months just to clean up and bury the bodies of their enemies.

And then, after this war of Gog and Magog. After God destroys them. Then God brings back the ten northern tribes to Israel.

Ezekiel 39:21-29

*I will set my glory among the nations; then all the nations will see my judgement that I have executed, and my hand that I have laid on them. So the house of Israel will know that I am Adonai their God, from that day and forward. The nations will know that the house of Israel went into captivity for their iniquity; because they trespassed against me, and I hid my face from them; so I gave them into the hand of their adversaries, and they all fell by the sword. I did to them according to their uncleanness and according to their transgressions, and I hid my face from them.*

*Therefore, this is what Adonai, Hashem says: "Now I will reverse the captivity of Jacob and have mercy on the whole house of Israel, and I will be zealous for my holy name. They will bear their shame, and all their trespasses by which they have trespassed against me, when they dwell securely in their land, and no one will make them afraid, when I have brought them back from the peoples, and gathered them out of their enemies' lands, and am sanctified in them in the sight of many nations. They will know that I am Hashem their God, in that I caused them to go into captivity among the nations, and have gathered them to their own land. Then I will leave*

*none of them captive anymore. And I will not hide my face from them anymore; for I have poured out my Ruach (Holy Spirit) on the house of Israel, says Adonai Hashem."*

It is also a Jewish tradition, according to the Talmud, that the Gog and Magog war will happen on Sukkot and when a Shabbot (a Sabbath) occurs during Sukkot, rather than reading from the weekly Torah portion they read Ezekiel chapters 38 and 39.

And so, on Yom Kippur September 25, 2023 God announces an end to the captivity of the house of Israel and five days later is the beginning of Sukkot and then at the end of Sukkot on Shabbot on October 7 there is an attack by Hamas of a scale never seen before and Israel is at war.

And Russia helped train Hamas and gave them the drones they used to take out the observation posts on the wall. And Iran funded and trained Hamas. And Russia and Turkey are giving verbal support to Hamas and telling Israel to back down and negotiate instead of going in and destroying Hamas. And we see this escalating into Gog and Magog.

Now as I write this on October 14<sup>th</sup> many people are saying this cannot be the Gog and Magog war because in that war no other nation stands with Israel and right now America is backing Israel with two battle groups of ships. This is true today, but this will change instantly when Israel gets seriously into its ground attack into Gaza and starts digging Hamas out of their tunnels under hospitals and schools because they hide behind the civilians and civilian casualties will be broadcast everywhere. Unlike what we just experienced with the civilian casualties and atrocities that Hamas committed where news organizations refused to show the pictures because they were too horrific. Or, they blurred the images so you could not see the true horror. No, as Israel takes out Hamas the News will broadcast and magnify Israel's devastation.

And so the world will turn on Israel and they will look the other way when Russia, Turkey, and Iran combine forces and go down to destroy Israel as a 'final solution' of their own.

This will happen because it is time for the ten tribes to return and it is time for the Gog and Magog war and now it is the End Time and we will see the great things that God will do.
